

# FAN MOUNTING BOX DIMENSIONS

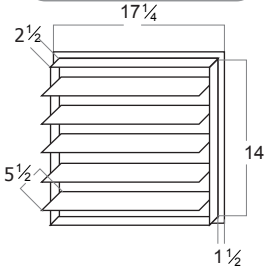

Use this guide to determine the dimensions of the box necessary to mount your Snap-Fan with the Automated Shutter (shutter with actuator). Applications vary by system design. If you are installing fan into a building, visit [snap-fan.com](http://snap-fan.com) for hole diameter sizes.

## 12" SNAP-FAN

DC part#: 1200  
AC part#: 1259

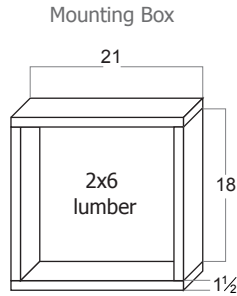

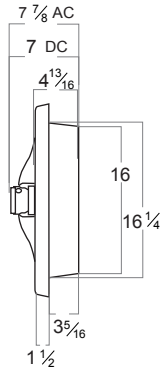

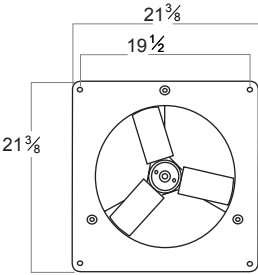

## 12" Snap-Fan SHUTTER part#: 6900

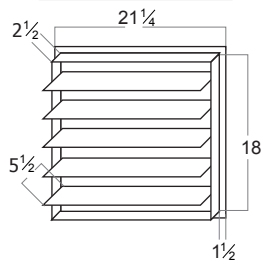

## 16" SNAP-FAN

DC part#: 1600  
AC part#: 1659

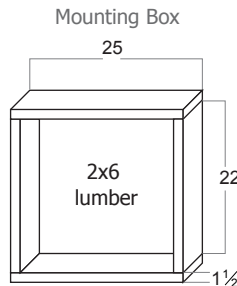

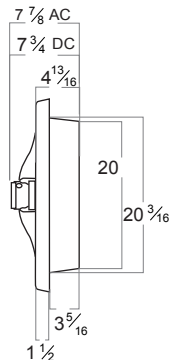

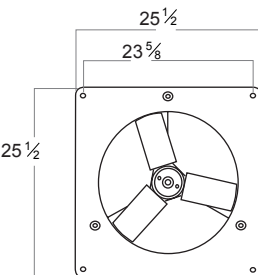

## 16" Snap-Fan SHUTTER part#: 6904

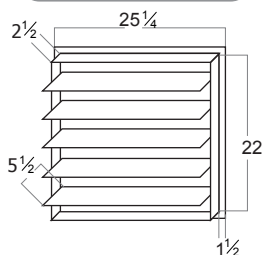

## 20" SNAP-FAN

DC part#: 2000  
AC part#: 2059

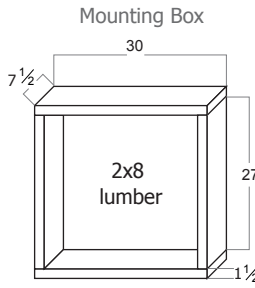

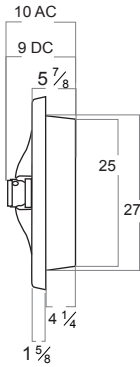

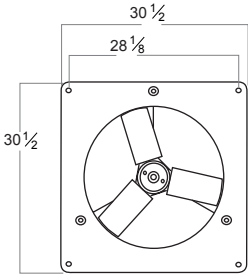

## 20" Snap-Fan SHUTTER part#: 6905

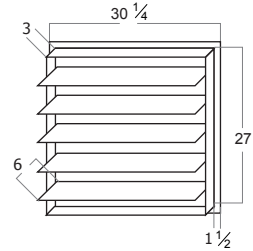

### 24" SNAP-FAN

DC part#: 2400  
AC part#: 2459

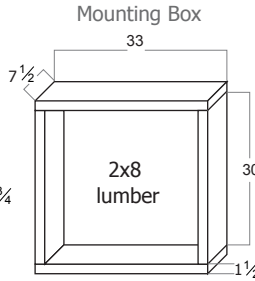

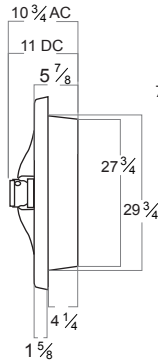

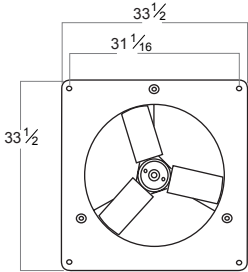

### 24" Snap-Fan SHUTTER part#: 6906

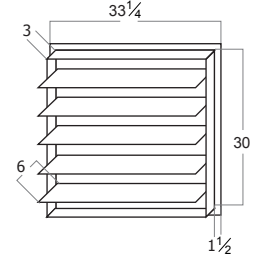

### 28" SNAP-FAN

DC part#: 2800  
AC part#: 2859

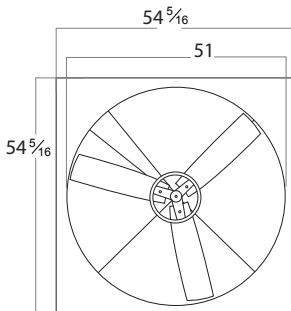

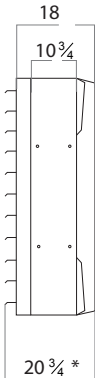

### 28" Snap-Fan SHUTTER part#: 6901

### 50" SNAP-FAN

DC only W/ Automated Shutter and Thermostat  
part#: 5000

\*with shutter open

### Shutter Controls

Automated  
Shutter Motor  
for 12"-28" Fan

**SHUTTER MOTOR**
